FOR IMMEDIATE RELEASE

Windsor TFC Announces Affiliation with The Windsor Soccer Club and Organizes a U12-9 Clinic

Toronto FC Academy Coaching Staff to Run Sessions at Central Park Athletics – February 10 and 11

Windsor, January 22, 2016: Windsor TFC Stars today announced a major partnership with The Windsor Soccer Club as part of their long-term “high performance” player pathway strategy. To kick-off the relationship the clubs will implement a training and development program for boys and girls in the U9-U12 age bracket. The program will be open to all players in Essex County.

The first joint venture will be a **U9-U12 clinic to be held Saturday, February 11th (1-3pm) at Central Park Athletics**. Interested players are invited to send a confirmation email to info@windsortfc.ca and can register on site from 11:30am and 12:30pm for a minimal cost of \$20 per player. Weekly training sessions will follow for selected players who are eager to continue their technical and personal development under the tutelage of the strongest development academy in North America with Toronto FC.

“For Windsor TFC to thrive, we need to connect with grass roots clubs and players at the earliest level to instill a technical learning and passion for the game. The Windsor Soccer Club is a perfect fit for us. We are excited about the prospects this relationship will offer” said Windsor TFC President Vancho Cirovski. “We are extremely pleased to build this relationship with the Stars in ways that we can contribute, as well as to offer our kids exciting development opportunities at higher levels of play in Ontario” said WSC President, Paul Bartolo.

Celebrating its 35th season in providing soccer to the local Windsor community The Windsor Soccer Club provides programs to youth at both recreational and competitive levels of play and is affiliated with the Windsor Essex County Special Stars - a dedicated league for players with Autism & Asperger Syndrome. The Club functions entirely through the dedication of volunteers on a year round basis. Windsor TFC Stars is a pro-am soccer club and youth development academy, which participates in League1 Ontario, the premier soccer league in the Province.
